The Crochet Swiftie Blanket

Introduction

This one is for the SWIFTIES! The chart below uses colour to let you know which yarn to use for each section. If you keep scrolling the same instructions are provided using letters. For any new eras after TTPD, feel free to swap out any of the duplicated era colour blocks for the new album colours.

If you have any questions or get stuck, please don't hesitate to reach out via email. If you make my design I'd love to see it! Connect with me on Instagram and don't forget to tag @atiliaco so I can see what you have made.

Intermediate - Intarsia crochet with colour changes

Finished Size

127 cm (50 in) by 150 cm (59 in) unblocked

- 4.0mm crochet hook and a darning needle
- Bulky yarn - I used Cascade Yarns 128 Superwash Merino Wool: 1 Skein = 100g /128yds
- Clothes pins are a nice to have (I highly recommend them to make small bobbins of yarn for between colour blocks and for lettering)

Pattern Notes & Tips

- This pattern is worked from the bottom up fully in intarsia crochet. If you don't know how to travel yarn with intarsia crochet check out this quick [Video Tutorial](#).
- In the linked video tutorial you will see that I create small bobbins of yarn for the colour changes between lettering and colour blocks with clothes pins. To estimate how long of yarn to wind my bobbin I wrap the yarn around 2 fingers for the amount of stitches in the section [Example](#).
- To make a nice snake eye on the 'S' I used the tail of the grey letter on a darning needle to clean up and round out the eye as I weave in my ends until I was happy with it.
- The instructions are provided in 2 formats below so that you can view/print whichever format you prefer. The instructions are provided first with colour boxes representing which yarn colour to use with the number inside detailing how many SC of that colour. The second set of instructions are provided purely with words with a yarn abbreviation letter from the chart above.

The Pattern (In Colour)
